

# Week of April 6-10, 2020

## Driver Education

### Mrs. Sweeney

Please pick 1 out of the 3 activities to complete every week or progress as indicated. Please email me a google doc or word doc or submit the activity to the homework box located in the Lake Crest foyer. Please feel free to reach out to me or the office and we will work together to get you what we need.

If email submission is not an option contact Mrs. Sweeney for alternative ways to submit work.

The class is required to fulfill 3 hours to meet the state mandate of 30 hours in classroom. We will have 1 assignment per week for 6 weeks. Some assignments will be ongoing however it is essential that you submit your progress each week.

Please email me at [jill.sweeney@oakland5.org](mailto:jill.sweeney@oakland5.org) or call the school and leave a message, and I will give you a call as soon as I can.

My Office Hours: Monday – 8-10am

Tuesday – 10-12am

Wednesday – 8-10am

Phone: 217-346-2166

Class	Choice 1	Choice 2	Choice 3
Driver Ed	Chapter 14-15 Review -1 (second part next week)	Paper on Illinois work zone laws	Paper on How I Will be a Safe Driver

## Chapter 14-15 Review

### Driver Education

Name \_\_\_\_\_

First page is assigned this week (April 6-10) and second page is assigned April 13-17.

Type in answers to the following questions and email Mrs. Sweeney Friday.

If email is not available write out questions and answers on paper and turn in to Lake Crest Friday. If you do not have your textbook contact Mrs. Sweeney to arrange a time to pick it up.

Directions: Using your textbook answer the questions.

1. How can you reduce the effects of inertia?
2. How does the tire pressure of the tires effect how you drive?
3. Define:
  - Inertia
  - Traction
  - Kinetic Energy
  - Momentum
  - Gravity
  - Center of Gravity
4. What should you do in the case of an engine fire?
5. What should you look for if your headlight is out?
6. What should you do if the engine becomes hot?
7. How do you know if your engine is flooded?

8. When you have a flat tire what should you do before changing it?

9. What is a banked road?

10. What is directional control?

11. What is Centrifugal force?

12. What is a lug wrench?

13. How do you stop sever bleeding?

14. What is a condition caused by lack of oxygen to the brain?

15. What is brake fade?

*Sweeney, J. Dr. Ed / Apr. 6-10*

*Choice 2*

**Driver Education Class**

**April 6-10**

### **Illinois Work Zone Laws**

Write a one full page paper on the 6 Illinois Work Zone Laws. List them and then explain how you will travel through a typical construction zone abiding by each of the laws.

The paper should be typed 12 pt times new roman double spaced.

If computer is not available hand write a 2 page paper, every other line.

You may use WORK ZONE & MAINTANENCE ZONE on IDOTs website.

**Driver Education Class**

**April 6-10**

**How I Will Be a Safe Driver**

Write a one full page paper on how you will be a safe driver by using the information and concepts learned in this class. From approaching the vehicle, driving safely, to exiting the vehicle.

The paper should be typed 12 pt times new roman double spaced.

If computer is not available hand write a 2 page paper, every other line.

You may refer to your notes and textbook. Remember the 2 most common causes of crashes.
