Jeremy Hoenes

Hello Junior High students & parents! I hope you all are doing well, and making the best of our current situation. Let me start off by saying that I am here to help you as much as I can. If you have any questions about any of my assignments, materials, how to submit them, or anything else please feel free to contact me. You can email me at anytime @ jeremy.hoenes@oakland5.org or through teacherease. I will also have times through the week where I will specifically be watching for emails. Those times are as follows: Mondays & Tuesdays - 10 - Noon, and Wednesdays 2 - 4. For each subject there are 3 choices for you to choose from. You only need to do one choice for each subject that you have with me, and turn in or submit to me. There are different ways to do this based on the assignment. If it is a WS, questions out of the book, or something you created (timeline, outline etc) you can return those to the school, take a picture with your phone and email it to me, or you can put the answers on a google doc and share it with me. There might also be times you can do social studies (**7th & 8th only**) via Ed Your Friend in Learning. We have used this site several times throughout this year. You might have an option, and if you have the capability to do that on the site, and submit the assignment that way as well.

Skills: Distinguish Importance of Information

DIRECTIONS Read the following passage about the Egyptian pharaoh Ramses II. As you read, try to identify the importance of statements and ideas. Then answer the questions that follow.

You Will Remember His Name

Ramses II, also known as Ramses the Great, ruled Egypt as pharaoh from about 1280 B.C. to 1224 B.C. He began numerous immense construction projects during his reign, including great temples at Karnak, Luxor, and Abu Simbel.

Some historians believe that Ramses II must have been very proud of himself, because he had many monuments and statues constructed in his own honor. He even directed the construction of his own tomb at Thebes just after he began his reign.

Ramses II probably was not a humble ruler. He enjoyed wearing the gold and lapis lazuli adornments made for him as pharaoh. He may have been extremely vain about his appearance.

Some say that Ramses II was preoccupied with making himself a legend. Many stories tell of his great courage and bravery in battle. Whether these stories are true or not, Ramses II did defend Egypt and made the kingdom prosperous. He was certainly remembered, as nine other pharaohs took the name Ramses in his honor.

1 Is the sentence "He even directed the construction of his own tomb at Thebes just after he began his reign" relevant or irrelevant? Explain your response.

2 Is the statement "He enjoyed wearing the gold and lapis lazuli adornments made for him as pharaoh" essential or incidental information? Explain your response.

3 Is the statement "Ramses II did defend Egypt and made the Kingdom prosperous" verifiable or unverifiable? Explain your response.
